

Your Dreams, Our Challenge

California Prop 65 statement

May 3, 2024

To whom it may concern

The products supplied by AGC Multi Material are defined as articles.

None of the components of AGC products are intentionally released during the use of our products when used as intended and in accordance with recommended specifications and parameters.

AGC products do not contain substances on the California Prop 65 list.

There are two exceptions to this statement:

- N4000-6FC prepreg contains > 0.3% and <1% of Dimethylformamide
- ELL prepreg contains > 0.3% and <1% of Toluene

The listed solvents are bound in the resin matrix and under normal handling, exposure to these solvents will be negligible.

AGC Multi Material continues to work with its suppliers to ensure that materials AGC employs to manufacture its products will continue to allow us to meet the responsibilities of good environmental and safety stewardship outlined by the EHCA legislation.

The information is provided at the request of our customers. Accordingly, AGC Multi Material assumes no liability for its use.

Sincerely
